Report of Principal and School Improvement Council

During the 2012-2013 school year, students and faculty members at Oakland Elementary School "Followed Their Own Star," attaining levels of higher achievement to "Make Success Happen" while embracing this year's theme, "Saddle Up for Success!" Our success was a result of strategies that met the needs of all students while making learning relevant and enjoyable. Our dedicated staff worked diligently to provide students with academic and social experiences that empower our students to achieve their fullest potential and prepare them for tomorrow's world.

Several students and faculty members received individual recognitions during the year. Students at Oakland were honored and recognized in the following areas: Kiwanis Club "Terrific Kid of the Year," OES Spelling Bee, the Cowpens Battleground Andrew Pickens T-shirt Design Contest, and school/regional science fair. Oakland students also participated in several various community service projects: Keeping Jacob's Dream Alive (\$1,157), Spartanburg Security Blanket and Give Kids the World (\$1,100), Jump Rope for Heart (\$2,400), and Relay for Life (\$4,200).

From two local media outlets, first grade teacher, Annette Hyder, was presented with the Golden Apple Award from WYFF, and third grade teacher, Ms. Courtney Stone, received Magic 98.9's Teachers Who Make Magic Award. Mrs. Heather Kanipe, media specialist, received a Spartanburg Junior League Grant, and second grade teacher, Mrs. Kelly Holden, received nine grants from Donors Choose. Additionally, fourth grade teacher, Ms. Jessica Glay, was selected to participate in this year's Science P.L.U.S. Institute at the Roper Mountain Science Center in Greenville, SC. Several of our teachers also presented at various conferences. Mrs. Carolina Cabe, PE teacher, was selected to present at the South Carolina Alliance for Health, Physical Education, Recreation, and Dance Conference. Mrs. Emily Daniel (5K), Mrs. Kelly Holden (2nd grade), and Mrs. Stacey Johnson (4th grade) presented at the Palmetto State Gender Institute, a conference of approximately 200 educators hosted at Oakland Elementary School.

As a school, Oakland Elementary received the Palmetto Gold Award for general performance and the Palmetto Silver Award for closing the achievement gap. Oakland was also selected as a Golden Shoe recipient, receiving first place for outstanding effort in our International Walk to School Day event. The award is sponsored by Chartwells', Safe Kids of Spartanburg, and Partners for Active Living and is given to schools that included parent, school, and community involvement, incorporate school activities into the events, and use the event as a catalyst to establish sustainable physical activity programs in the school. Furthermore, Oakland Elementary was selected to partner with the Spartanburg Writing Project. This initiative, while providing Oakland teachers with a premier opportunity for professional development, has also helped to further our emphasis on project based learning and inquiry-based instruction.

Through dedicated teachers, student effort, and parent/community support, Oakland Elementary School will continue to "Make Success Happen."

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
